**RE: Comments of the Tohono O'odham Utility Authority on the Boulder Canyon Project – Post 2017 Application of the Energy Planning and Management Program Power Marketing Initiative Federal Register Notice of November 20, 2009**

Dear Mr. Moe:

Please accept this letter of support of Tohono O'odham Utility Authority for the Hoover comments submitted by the Arizona Tribal Energy Association (ATEA)/Inter Tribal Council of Arizona (ITCA).

The Tohono O'odham Utility Authority will not be submitting its own independent remarks but urges Western to adopt the recommendations of ATEA and ITCA with respect to the Hoover reallocation process.

Thank you for your consideration of our position on this issue of significance to all tribes in the Hoover Project area.

Sincerely,

Charles W. Wiese  
General Manager
