Re: Boulder Canyon Project - Post-2017 Application of the Energy Planning and Management Program Power Marketing Initiative [74 CFR 60256-7, Friday, Nov. 20, 2009]

Dear Mr. Moe:

My name is Jeff Woner and I am the manager of Electrical District Number Five, Maricopa County ("ED5M"). ED5M is a customer of Arizona Power Authority ("APA") and has an existing contract for Hoover power from APA.

ED5M appreciates the opportunity to provide comments on Western's post-2017 remarketing initiative. ED5M fully supports the comments submitted by Sheryl Sweeney of Ryley Carlock & Applewhite, as well as those submitted by Jay Moyes of Moyes Sellers & Sims, by IEDA, and by the APA.

Respectfully submitted,

Jeff Woner
District Manager
