**Re: Boulder Canyon Project - Post-2017 Application of the Energy Planning and Management Program Power Marketing Initiative [74 CFR 60256-7, Friday, Nov. 20, 2009]**

Dear Mr. Moe:

This letter is written on behalf of myself and the Board of Directors of the Maricopa Water District (MWD). MWD is a customer of Arizona Power Authority (APA) and has an existing contract for Hoover power from APA.

MWD appreciates the opportunity to provide comments on Western's post-2017 remarketing initiative. MWD fully supports the comments submitted by Ryley Carlock & Applewhite on our behalf, by IEDA (of which we are a member), and by the APA.

Sincerely,

A handwritten signature in purple ink, appearing to read "J. Sweeney", is written over the typed name and title.
