Re: Boulder Canyon Project - Post-2017 Application of the Energy Planning and Management Program Power Marketing Initiative [74 CFR 60256-7, Friday, Nov. 20, 2009]

Dear Mr. Moe:

My name is James Downing and I am the administrator of McMullen Valley Water Conservation & Drainage District (MVWCDD). MVWCDD is a customer of Arizona Power Authority (APA) and has an existing contract for Hoover power from APA.

MVWCDD appreciates the opportunity to provide comments on Western's post-2017 remarketing initiative. MVWCDD fully supports the comments submitted or being submitted by Moyes, Sellers & Sims, on our behalf, by IEDA (of which we are a member), and by the APA.

Respectfully submitted,

James D. Downing, P.E., Administrator
