AUG 29 2003

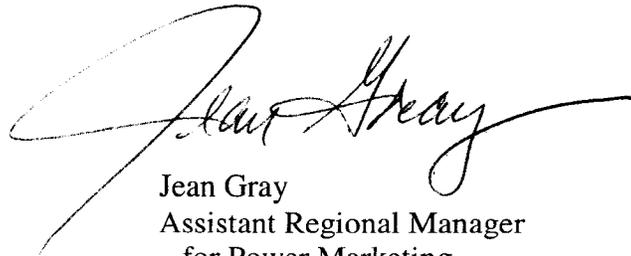

Dear Parker-Davis Project Customers:

In conjunction with the Parker-Davis Project (P-DP) Post-2008 remarketing process, Western Area Power Administration (Western) published on May 5, 2003 the final allocations for existing P-DP contractors for the contract period beginning October 1, 2008 (68 FR 23709).

As a result of publishing these final allocations, Western has prepared contract extension amendments to enable existing contractors to extend their current Firm Electric Service contracts for a 20-year term beginning October 1, 2008. Western will conduct a meeting on October 1, 2003 at 10:00 a.m. to present the contract extension amendments. This meeting will take place in Conference Rooms 1 and 2 at the Desert Southwest Regional Office, located at 615 South 43rd Avenue in Phoenix, Arizona. All existing P-DP Firm Electric Service customers are encouraged to attend.

If you have any questions regarding this upcoming meeting, please contact Mr. Roy Tinsley at (602) 352-2788.

Sincerely,

Jean Gray
