Re: Parker-Davis Project Post-2008 Resource Pool

Dear Mr. Young:

As a member of the Eastern Arizona Preference Pooling Association ("EAPPA"), our community is very appreciative of the award of an allocation of the Parker-Davis Project Resource Power Pool. It means a great deal to the members of our community. It will help sustain economic growth and will keep stable the ever-rising costs of providing utility services. Our Utility Board again expresses its appreciation and is willing to undertake whatever additional and other steps are necessary to successfully conclude and complete the process.

Sincerely,

Town of Springerville

Kay Dyson
Mayor
