Re: Parker Davis 2008 Contracts

Dear Ms Gray;

The Cortaro-Marana Irrigation District is interested in acquiring a P-DP allocation and a contract in the post 2008 period. We have reviewed the contract and note there is a provision for advancement of funds. Upon clarification of the funding provision, CMID has no objections to advance funding of overhead, maintenance and repair. We are not opposed to a mutually agreeable method of providing other funds with appropriate safeguards and customer input. Please keep us and our Counsel on your contact list.

Sincerely,

Herbert Kai, Chairman  
Cortaro Water Users' Association  
agent for Cortaro-Marana Irrigation District
