

EXHIBIT B

(Operating Agreement Including Quantitative Determinations)

1. This Exhibit B is made this 21st day of November, 1994, to be effective under and as a part of Contract No. 94-BAO-701, dated November 21, 1994, hereinafter called the Interagency Agreement, shall become effective on the effective date of the Interagency Agreement, and shall remain in effect either until superseded by another Exhibit B or until termination of the Interagency Agreement.

2. THE AIR FORCE'S ELECTRIC SERVICE ARRANGEMENTS:

2.1 The System Definitions and Billing Determinations set forth in this Operating Agreement are based upon the understanding of the Parties that the Air Force's electric service arrangements are such that its system load requirements are being supplied from the following sources only:

2.1.1 Firm electric service from Western.

2.1.2 Firm electric service from another entity.

2.2 Western reserves the right to require the substitution of a new Exhibit B in the event that the firm electric service arrangements of the Air Force are altered so that this Exhibit does not correctly identify those arrangements.

3. SYSTEM DEFINITIONS:

3.1 The Air Force's System Demand for any billing period shall be the sum of the highest coincident 30-minute integrated demand established from meter readings taken at the Point(s) of Measurement, as may be adjusted and defined in Exhibit C.

3.2 The Air Force's System Energy Requirements for any billing period shall be the total energy delivered during the billing period at the Point(s) of Measurement, as may be adjusted and defined in Exhibit C.

4. BILLING DETERMINATIONS:

4.1 The billing demand for firm power by Western to the Air Force in any billing period shall be the Maximum Rate of Firm Power Obligation during that period as established pursuant to the Section of the Interagency Agreement entitled "Firm Electric Power and Energy to be Furnished"; and

4.2 the energy billed by Western to the Air Force in any billing period shall be the Maximum Energy Obligation during that period as established pursuant to the Section of the Interagency Agreement entitled "Firm Electric Power and Energy to be Furnished."
