Western Area Power Administration

Powering the energy frontier

Good afternoon,

Steve Johnson has been selected to serve as Senior Vice President and Colorado River Storage Project Management Center manager for Western Area Power Administration.

In his announcement, Administrator and CEO Mark A. Gabriel said, "Steve's extensive knowledge of power system operations will greatly aid CRSP MC and all of WAPA as we face changes in the way energy is dispatched locally, regionally and nationally."

Most recently, Johnson was the manager of the Energy Management and Marketing Office in Montrose, Colorado. He began his electric industry career as an apprentice operator at Hetch Hetchy Water and Power near his hometown of Sonora, California. Johnson joined WAPA and federal service in 2000 as a power system dispatcher.
