Good morning WAPA customers,

The [April issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- Farewell from Mark A. Gabriel
- Get to know WAPA's interim administrator
- One year later...
- Employees reflect on a year without precedent
- Long hauler discusses one full year of COVID
- WAPA publishes masking policy
- Individual evolution is imperative
- Drive safely in the springtime
- Rapid Recaps

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
