Western Area Power Administration
Powering the energy frontier

Greetings WAPA customers,

The annual December customer meeting is quickly approaching.

This year we want to learn more about your preferences and interests as we plan ahead. Since 2015, the annual event provides an opportunity to engage directly with WAPA leadership; learn about strategies, initiatives, programs, and budget; offer ideas; and ask questions.

To contribute your anonymous input, complete the following [survey](#) by Sept. 2.

In addition, if you haven't done so already, please take a moment to complete the Power Forward 2030 [survey](#) to provide your input and feedback on our [draft strategic plan](#).

We look forward to hearing from you. For direct questions, please contact the [Chief of Staff](#).

Sincerely,

Teresa Waugh | Chief Public Affairs Officer
Western Area Power Administration | Headquarters
