Good day WAPA customers,

It is my pleasure to send you your first installment of [*Closed Circuit*](#).

Until this month, *Closed Circuit* was WAPA's internal magazine. Now we are sharing it with you. We hope that this will keep you even more closely informed of the goings-on in and around WAPA.

You are likely used to receiving *Customer Circuit* on a quarterly basis. Starting now, monthly issues of *Closed Circuit* will be made available to you instead, meaning you will receive more information more quickly. To learn more about this change, see the article "Three little words" on Page 1 of this issue.

[Bookmark this page](#), where you will be able to access all issues as they are released. They are typically distributed toward the middle of the month.

Welcome to the *Closed Circuit* family! Please do not hesitate to send me your feedback.
