Good morning,

In an abundance of caution, WAPA is no longer admitting visitors into WAPA facilities until further notice. We will make every attempt to continue business as normal by using conference calls and WebEx for meetings and discussions, although some meetings may need to be rescheduled.

At this time, we still plan to host WAPA's Asset Protection in the Age of Risk Management Symposium May 19-20. We will continue to monitor the situation and alert attendees to changes in event scheduling if the need arises.

We greatly appreciate your continued support and flexibility as we safeguard you, our employees and our critical mission.
