Good day WAPA customers,

This month's issue of [\*Closed Circuit\*](#) is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released. They are typically distributed toward the middle of the month.

In case you missed it, until the April edition, *Closed Circuit* was WAPA's internal magazine. Now we are sharing it with you. We hope that this will keep you even more closely informed of the goings-on in and around WAPA.

Please do not hesitate to send me your feedback.

Philip Reed
