Powering the energy frontier

Good morning WAPA customers,

The [March issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- In-house skills save millions on FIMS upgrades
- Years in the making, WEIS goes live
- CLDP opens to new applicants
- Refresh yourself on WAPA's branding
- Employees recognized for accomplishments
- Feedback shapes LDP offerings
- AEM kicks off 2021
- Practice safe spring cleaning
- Rapid Recaps
- Brief Transmissions

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
