## Western Area Power Administration

*Powering the energy frontier*

Good morning WAPA customers,

The [May issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- Winter energy shortage tests grid limits
- SN, Trinity partner for wildfire prevention
- Science Bowls continue through pandemic
- How would you fare in the National Science Bowl?
- COVID-19 variants pose additional risk
- Procurement, craft team up to acquire vehicle
- Career, interviewing courses available
- Evaluate your home for Electrical Safety Month
- Rapid Recaps
- Brief Transmissions

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
