Good morning WAPA customers,

The [November issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- New capability shields grid from solar storms
- DSW, CRSP MC explore combined rate
- Vegetation Management benefits Navajo
- RM pilot project meets generation swings
- CPI program saves, avoids \$113 million in costs
- Microsoft Teams is upon us
- Hosting engaging meetings in a virtual world
- Decorate safely this holiday season
- Rapid Recaps
- Brief Transmissions

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
