Western Area Power Administration

Powering the energy frontier

Good afternoon,

WAPA has posted six [Draft Business Practices](#) related to [Open Access Transmission Tariff Revision 21-01](#) for stakeholder review on the [Open Access Same-Time Information System](#). Comments on the draft Business Practices are due by Dec. 3.

OATT Revision 21-01 addresses Federal Energy Regulatory Commission Order 845 *Reform of Generator Interconnection Procedures and Agreements*.

The draft Business Practices include: 1) Provisional Interconnection Service, 2) Surplus Interconnection Service, 3) Base Case Data, 4) Contingent Facilities, 5) Option to Build and 6) Interconnection Service less than Generator Capacity.

The effective date of OATT Revision 21-01 is Dec. 15. The updated OATT documents will be available soon on the ["WAPA OATT Documents" page](#) on WAPA's OASIS.

Thank you for your participation in this OATT revision.
