Good afternoon WAPA customers,

The [September issue](#) of *Closed Circuit* is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- SCADA vendor project reaches milestone
- Automating process reduces errors
- Biological strategy benefits species of concern
- Employees intervene in active shooter situation
- Initiative seeks to improve balance
- I2T goes virtual
- Drive safely during the pandemic
- Rapid Recaps
- Brief Transmissions

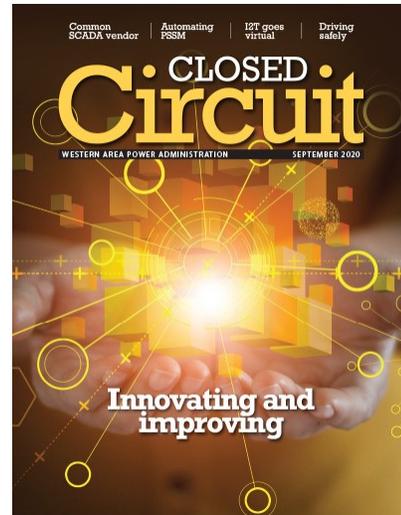

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for *Closed Circuit* to provide up-to-date information regarding COVID-19.

Please do not hesitate to send me your feedback.
