Powering the energy frontier

Good afternoon WAPA customers,

The [September issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- Experiment takes aim at smallmouth bass
- RM manager shares 30-year journey to WAPA
- CFO, KM team up to improve knowledge
- Third CLDP cohort underway
- Human Performance enhances safety culture
- Opening our eyes to DEI
- Listen up: Protect your hearing
- Rapid Recaps
- Brief Transmissions

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
