DEC 06 2012

Dear Central Arizona Project 115/230-kV Transmission Service Customers and Interested Parties:

In accordance with Western Area Power Administration (Western) Rate Order No. WAPA-124, Western has reviewed its rate calculation for Central Arizona Project (CAP) 115/230-kV transmission service. The referenced Rate Order established a formula rate which is reviewed annually and modified as necessary, based on updated information. As a result of this review, Western has determined there will be no change to the existing rate. Effective January 1, 2013, the rates will be as follows:

Firm Transmission Rate (CAP-FT2)
\$/kW-year \$11.77
\$/kW-month \$.98

Nonfirm Transmission Rate (CAP-NFT2)
1.34 mills/kWh

Updated data concerning the CAP 115/230-kV transmission rates will be available for review on Western's website at <http://www.wapa.gov/dsw/pwrmt/CAPTRP/CAPTRP.htm>. If you have questions or need additional information, please call Mr. Jack Murray at (602) 605-2442.

Sincerely,

A handwritten signature in purple ink that reads "Deborah K. Emler".

Deborah K. Emler
