Re: Parker-Davis Project Post 2008 Resource Pool

Dear Mr. Young:

I, on behalf of the Hohokam Irrigation and Drainage District Board of Directors, our members and customers, would like to express our sincere appreciation for the allocation of Parker-Davis power resources under your Post 2008 remarketing process.

Access to these preference power resources will assist the District greatly in meeting the needs of its members and the surrounding communities, in an economically sound manner.

Please advise us, at your earliest convenience, regarding any additional steps that must be taken on the part of the District in order to complete the process.

Sincerely,

  
Jack C. Long  
Manager
