Subject: CRSP-DSW Combined Transmission Service Rate - Workgroup Meeting Invitation

Dear Colorado River Storage Project and Desert Southwest Region Customers,

On April 27, 2020, WAPA met with you about the possibility of combining the transmission service rates of the Colorado River Storage Project and Desert Southwest Region. At that meeting, we discussed collaborative workgroup meetings to further explore a combined rate.

We have scheduled the initial workgroup meeting for September 24, 2020, at 1 p.m. (MST), 2 p.m. (MDT). We anticipate the meeting will last approximately 90 minutes and look forward to your participation.

Webex, conference bridge information, and meeting materials will be available before the meeting at <https://www.wapa.gov/regions/DSW/Rates/Pages/CombinedTransRate.aspx>.

If you have questions or need additional information, we can be reached at the contact information listed below or onerate@wapa.gov.

Sincerely,

Brent Osiek | Program and Regulatory Advisor
