

APPENDIX H

Acronyms

SIERRA NEVADA REGION RATES BROCHURE: WAPA -156

APPENDIX H

Acronyms

2948A – Contract 2948A

AERA - Annual Energy Rate Alignment

AGC – Automatic Generation Control

ARR – Annual Revenue Requirement

A/S - Ancillary Services (i.e., spinning reserve, supplemental reserve, regulation, etc.).

BA – Balancing Authority

BR – Base Resource

BR% – Base Resource Percentage

CAISO - California Independent System Operator

CCWD – Contra Costa Water District

CFO - Chief Financial Officer

CFR – Code of Federal Regulation

COI – California-Oregon Intertie

COS – Cost of Service Study

COTP – California-Oregon Transmission Project

CP – Coincident Peak

CPP – Custom Product Power

CPPA - Calaveras Public Power Agency

CRR - Congestion Revenue Rights

CSRS - Civil Service Retirement System

CVP – Central Valley Project

DA – Day Ahead

DOE – U.S. Department of Energy

DOI – U.S. Department of Interior

EE – Energy Exchange

EI – Energy Imbalance

EIS - Environmental Impact Statement

ETC – Existing Transmission Contracts

FERC – Federal Energy Regulatory Commission

FLS - Full Load Service

FLSC - Full Load Service Customer

FRN – Federal Register Notice

FP – First Preference

FPC – First Preference Customer

FTR – Firm Transmission Rights
FWS - DOI, Fish and Wildlife Service
FY - Fiscal Year

GI – Generator Imbalance
GMC – Grid Management Charge
GWh – Gigawatthour

HA – Hour Ahead
HBA – Host Balancing Authority
HE – Hourly Exchange

IOA - Interconnected Operations Agreements
ISO – Independent System Operator

kV - Kilovolt
kW – Kilowatt
kWh - Kilowatthour

LLNL – Lawrence Livermore National Laboratory

MRR – Monthly Revenue Requirement
MW - Megawatt
MWh - Megawatthour

NCPA – Northern California Power Agency
NEPA - National Environmental Policy Act
NERC – North American Electric Reliability Council
NITS - Network Integrated Transmission Service

OASIS – Open Access Same Time Information System
O&M – Operations and Maintenance
OATT – Open Access Transmission Tariff

PACI – Pacific Alternating Current Intertie
PG&E – Pacific Gas and Electric
PMA – Power Marketing Administration
POD - Point of Delivery
POR - Point of Receipt
PRR – Power Revenue Requirement
PRS – Power Repayment Study
P-t-P – Point-to-Point
PU – Project Use
PUD – Public Utilities District

RAC - Revenue Adjustment Clause

Reclamation – DOI, Bureau of Reclamation
RR – Revenue Requirement
RTO - Regional Transmission Organizations

SBA – Sub Balancing Authority
SCADA - Supervisory Control and Data Acquisition
SCC – Sierra Conservation Center
SCRB - Separable Cost-Remaining Benefit
SEEA – Stampede Energy Exchange Account
SPPC – Sierra Pacific Power Company
SMUD – Sacramento Municipal Utility District
SNR – Sierra Nevada Customer Service Region of the Western Area Power Administration
SP – Supplemental Power
SSC&D – Scheduling, System Control and Dispatch

TAC – Transmission Access Charge
TANC - Transmission Agency of Northern California
TDF - Truckee Donner Public Utility District and the City of Fallon
TPPA - Tuolumne Public Power Agency
TPUD – Trinity Public Utilities District
TRR - Transmission Revenue Requirement
TSCP - Transmission System Coincident Peak

USBR - U. S. DOI, Bureau of Reclamation
USF&WS – U.S. DOI, Fish and Wildlife Service
UUP - Unreserved Use Penalties

VAR - Volt-Ampere Reactive
VR – Variable Resource

WAPA – Western Area Power Administration
WDT - Wholesale Distribution Tariff
WECC – Western Energy Coordinating Council
