Forest Service Reauthorization  
of Western's Transmission Lines  
in Colorado, Nebraska & Utah

**PROPOSED ACTION**  
White River National Forest

MAP WRNF-4

West Zone/Rifle Ranger District

Mesa County

White River West 1 Project Area

North Fork - Rifle Transmission Line

- Structure
- Transmission Line on USFS Managed Lands
- Transmission Line on Non-USFS Managed Lands
- Forest Service Road
- \*USFS Administrative Boundary
- Stream

**ROW Conditions**

- 1 Spurred vegetation & low-growth compatible vegetative communities.
- 2 Currently incompatible / long-term incompatible. Fast-growing mature vegetative community.
- 3 Currently compatible / long-term incompatible. Fast-growing mature vegetative community.
- 4 Currently incompatible / long-term incompatible. Slow-growing mature vegetative community.
- 5 Currently compatible / long-term incompatible. Slow-growing mature vegetative community.
- 6 Low-growth vegetation communities with high fuel loads.

\* Non-USFS managed lands within the USFS administrative boundary represent private inholdings and other inholdings owned and managed by other governmental agencies.

**Disclaimer:**

This product is for informational purposes and may not have been prepared for, or be suitable for legal, engineering, or surveying purposes. Users of this information should review or consult the primary data and information sources to ascertain the usability of the information. The maps are distributed "AS-IS" without warranties of any kind, either expressed or implied, including but not limited to warranties of suitability to a particular purpose or use.
