

**IV. Executive Orders 12866 and 13563**

Under Executive Order (EO) 12866 (58 FR 51735 (October 4, 1993)) this action is a “significant regulatory action.” Accordingly, EPA submitted this action to the Office of Management and Budget (OMB) for review under Executive Orders 12866 and 13563 and any changes made in response to OMB recommendations have been documented in the docket for this action.

**V. Executive Order 13175: Consultation and Coordination With Indian Tribal Governments**

In compliance with Executive Order 13175, EPA has consulted with tribal officials to gain an understanding of and, where necessary, to address tribal implications of the draft MSGP. In the course of this consultation, EPA undertook the following activities:

- December 11, 2012—EPA presented an overview of the current MSGP and potential changes in the draft 2013 MSGP to the National Tribal Caucus.
- December 12, 2012—EPA presented an overview of the current MSGP and potential changes in the draft 2013 MSGP to the National Tribal Water Council.
- December 12, 2012—EPA mailed out notification letters out to Tribal Leaders initiating consultation and coordination on the renewal of the MSGP. The initiation letter was posted on the tribal portal Web site at <http://www.epa.gov/tribal/consultation>.
- January 15, 2013—EPA held an informational teleconference open to all tribal representatives, and reserved the last part of the teleconference for official consultation comments. EPA also invited tribes to submit written comments on the permit renewal. The presentation was posted on the tribal portal Web site at <http://www.epa.gov/tribal/consultation>.

EPA also encourages tribes to participate in the public review process by submitting comments through [regulations.gov](http://www.regulations.gov).

**VI. Analysis of Economic Impacts**

EPA expects the economic impact on entities covered under this permit, including small businesses, to be minimal. A copy of EPA’s economic analysis, titled, “Cost Impact Analysis for the Multi-Sector General Permit (MSGP)” is available in the docket for this permit. The economic impact analysis indicates that while there will be some incremental increase in the costs of complying with the new permit, these costs will not have a significant economic impact on a substantial number of small entities.
