Dear Tribal Allottee:

Thank you for participating in the Western Area Power Administration (Western) Boulder Canyon Project (BCP) Post-2017 marketing effort.

Congratulations on being awarded an allocation of BCP Post-2017 Schedule D power. Western is pleased to extend an invitation to your organization to participate in an informal outreach meeting to be held with other tribal allottees in Arizona. This meeting is scheduled to be held at 10:00 a.m. on Tuesday, February 26, 2015, at Western's offices located at 615 South 43rd Avenue, Phoenix, Arizona.

The purpose of this meeting is for Western to provide new tribal allottees in the State of Arizona information on high level electric industry concepts, the BCP product, discuss activities leading up to 2017, and to answer any questions for new allottees.

Conference bridge information will be distributed upon request for those who prefer to call-in.

If you are a U.S. citizen, please be sure to bring an official form of picture identification (that meets the requirement of the Real ID Act), such as a driver's license, U.S. passport, U.S. Government ID, or U.S. Military ID, which you will be asked to show prior to signing in at Western.

If you are a foreign national and plan to attend, please contact Ms. Sylvia Macfarlane at 602-605-2664 or Macfarl@wapa.gov immediately to obtain the necessary form for admittance at Western. To allow time for background checks this form must be completed at least 30 days in advance for visitors from non-sensitive countries; and 45 days in advance for visitors from sensitive countries. Failure to complete this approval process may result in denial of visit.

If you have any questions, please contact Mr. Mike Simonton, Public Utilities Specialist, at 602-605-2675 or by e-mail at Simonton@wapa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Deborah K. Emler".
