DSW Folks:

PDP/INT Customers have reviewed DSW's draft JPA posted on October 25th. The attached redline JPA provides DSW with additional Customers' comments and recommendations for revision.

To complete the entire initial project of finalizing a new JPA and prepayments/voting, Customers want to ensure that we jointly push to complete a revised MOU prior to the end of calendar year 2018. Customers request DSW provide your plan and schedule that will enable us to revise the existing MOU by December 31, 2018.

Please provide any remaining comments that DSW may have on the attached JPA and attachments and your schedule to revise the MOU by the end of December 2018 prior to November 9th.

If you have any questions, please feel free to contact me to distribute the questions and obtain a response from the Customers.
