Dear Desert Southwest Region Transmission Customers,

Last month, we scheduled a meeting for Thursday, March 3, 2022, to initiate discussions about combining the transmission rates and facilities use charges of the projects within the Desert Southwest Region (DSW). The combined rate would be named the DSW One Transmission Rate (OTR).

Unfortunately, we need to reschedule that meeting. We apologize for the short notice and will provide you with a date and time for the rescheduled meeting soon.

We look forward to discussing the OTR with you soon. In the meantime, if you have any questions, please feel free to contact Tina Ramsey at 602-605-2565, ramsey@wapa.gov.

Sincerely,

Jim Kendrick | Vice President of Power Marketing
