**Subject:** DSW Ten Year Plan & One Transmission Rate Initiative

Dear Desert Southwest Region Transmission Customers,

Western Area Power Administration will host two meetings on Tuesday, April 12, 2022.

The first meeting, the annual Active Construction Projects Update for the Intertie Project and Parker-Davis Project, will begin at 10 a.m. and conclude by 12 p.m. (MST). We will provide updates on active construction projects, seed funded projects, and analysis of alternatives studies.

Information about this meeting, including the Webex link and materials, will be posted on our website at <https://externalt.wapa.int/regions/DSW/Pages/10-year-capital-program.aspx> by March 29, 2022. If you have any questions or need additional information, please contact Tony Guinane at (602) 605-2565, [guinane@wapa.gov](mailto:guinane@wapa.gov).

The second meeting, the One Transmission Rate initiative, will begin at 1 p.m. (MST). We plan to initiate discussions about combining the transmission rates and facilities use charges of the projects within the Desert Southwest Region. This meeting was originally scheduled for March 3, 2022.

Information about this initiative, including the Webex meeting details, will be posted on our website at <https://externalt.wapa.int/regions/DSW/Rates/Pages/OTR.aspx>. If you have any questions, please contact Tina Ramsey at (602) 605-2565, [ramsey@wapa.gov](mailto:ramsey@wapa.gov).

Sincerely,

**Mike Simonton | Acting VP of Transmission System Asset Management**

Western Area Power Administration | Desert Southwest Region
