Date: Friday, August 26, 2022 11:22:19 AM

Dear Parker-Davis Project Customers and Interested Parties:

Rate Order No. WAPA-184 for Parker-Davis Project (P-DP) requires annual calculations of the charges for firm electric and transmission services. Western Area Power Administration (WAPA) has calculated the charges for fiscal year (FY) 2023.

These charges include the Bureau of Reclamation's (Reclamation) Ten-Year Plan approved at the Advancement of Funds Funding Board Meeting held on July 21, 2022. To moderate increases to the generation charges, WAPA will defer discretionary principal payments on deficits, and level the charge over the five-year rate window.

To moderate increases to the transmission charges, WAPA will defer discretionary principal payments on assets and level the charge over the five-year rate window.

The firm electric and transmission service charges for FY 2023 are as follows:
