Re: Parker-Davis Project Post-2008 Resource Pool

Dear Mr. Young:

The Town of Marana is very appreciative of the award of an allocation of the Parker-Davis Project Resource Power Pool. It means a great deal to the members of our community. It will help sustain economic growth and will keep stable the ever-rising costs of providing utility services. Our Utility Board again expresses its appreciation and is willing to undertake whatever additional and other steps are necessary to successfully conclude and complete the process.

Sincerely Yours,

C. Brad DeSpain  
Utility Director  
Town of Marana
