Powering the energy frontier

Good afternoon WAPA customers,

The [August issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- Drought conditions may complicate hydropower
- WAPA attorney joins EBA Board of Directors
- Exceptional employees honored
- Get to know WAPA's CAO
- Welcome WAPA's new badging stations
- Be part of WAPA's safety progress
- AEM updates employees on major initiatives
- Rapid Recaps
- Brief Transmissions

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
