Powering the energy frontier

Good morning WAPA customers,

The [June issue](#) of Closed Circuit is now available. If you haven't already, be sure to [bookmark this page](#), where you will be able to access all issues as they are released.

This issue features the following stories:

- Crow Tribe right-of-way grant renewal issued
- Understanding psychological safety
- Get to know UGP's regional manager
- Science Bowls endure as virtual events
- How would you fare in the National Science Bowl?
- Beware the dangers of multitasking
- Rapid Recaps
- Celebrate Pride Month
- 508 corner
- Brief Transmissions

As a reminder, monthly publication schedules and the constantly evolving nature of the situation means it is not possible for Closed Circuit to provide up-to-date information regarding COVID-19.

We appreciate your feedback. If you have story ideas or know of newsworthy milestones or achievements, don't hesitate to send them my way.
