

## Project Map

### Project Features

-  Hermosa West Wind Farm Project Area
-  Proposed New Access Road
-  Proposed Shell Substation
-  Operation And Maintenance Area
-  Construction Laydown Area
-  Permanent Met Tower Corridor

 Proposed Turbine Corridor

 Proposed Transmission Interconnect

### Jurisdiction

-  U.S. Forest Service
-  Bureau of Land Management
-  State Land

### Transmission

 230 kV Transmission Line

 345 kV Transmission Line

0 0.5 1 Miles

Scale 1:54,000 when printed at 8.5"X11".
