**Re: Additional Comments of Maricopa County Municipal Water Conservation District No. One (“MWD”) on Western Area Power Administration’s (“WAPA” or “Western”) Federal Register Notice on Whether to Enter Final Negotiations with Southwest Power Pool**

Dear Ms. Johnson:

MWD submits these additional comments in response to WAPA’s *Federal Register* notice on pursuing final negotiations with the Southwest Power Pool (“SPP”) for membership for the Rocky Mountain Region (“RMR”) and Colorado River Storage Project (“CRSP”). These comments are provided following the letter from Administrator LeBeau on June 14, 2023, which extended the comment period to July 11, 2023.

MWD supports the comments submitted by Electrical District No. 4. We urge WAPA to make sure that all of its customers receive the full benefit of their contractual entitlement of the CRSP resource.

Sincerely,
