Dear Transmission Customers and Interested Parties:

On April 1, 2024, Western Area Power Administration's (WAPA) Administrator approved, on an interim basis, WAPA-215 extending the existing formula rate under the WestConnect Point-to-Point Transmission Service Participation Agreement through September 30, 2026.

WAPA initiated a 14-day consultation and comment period on January 19, 2024, for the extension of the existing formula rate and received one comment supporting the extension.

Copies of the *Federal Register* notice and the rate schedule are attached for your convenience.

This information is also available on WAPA's website at:
