Dear Transmission Customers and Interested Parties:

Attached for your information is a copy of the Federal Register Notice (FRN) published on January 19, 2024, titled “Central Arizona Project, Colorado River Storage Project, Loveland Area Projects, Pacific Northwest-Pacific Southwest Intertie Project, and Parker-Davis Project - Rate Order No. WAPA-215.” The FRN provides notice of Western Area Power Administration’s (WAPA) proposed extension of the existing formula rates for use under the WestConnect Point-to-Point Transmission Service Participation Agreement. This FRN, and other information pertaining to rates for WestConnect, can be found on WAPA’s website at: www.wapa.gov/about-wapa/regions/dsw/power-marketing/westconnect.

The formal consultation and comment period begins with the publication of the Proposed FRN which was published on January 19, 2024, and ends 14 days later, on February 2, 2024. Public information and comment forums will not be held, but all interested parties may submit written comments to WAPA at any time during the consultation and comment period. All comments must be received by WAPA by the end of the comment period to be considered in the decision process. Written comments should be emailed to LAPTransAdj@wapa.gov.

If you have any questions regarding the enclosed information, please feel free to contact us.
